

**NATURAL**  
STONE PAVERS

FROM MSI

**MSI**

Making Dream Surfaces Attainable

MSI's Premium Natural Stone paver collection includes beautiful, high-quality pavers made of travertine, granite, slate, quartzite, marble, sandstone, and limestone. There are an endless number of colors, shapes, and designs that are sure to bring the exact feel you've been searching for to include in your space. Our slate, quartzite, and marble pavers are perfect for a more modern look, and our slate, limestone, and travertine pavers are an excellent choice for more natural looking spaces.

# NEW ENGLAND

## COLLECTION

Introducing the New England Collection - the perfect pavers for homeowners and builders who want to add a touch of classic elegance to their outdoor spaces. Our New England Collection comes in 12in increment sizes, allowing you to create a custom look that fits your space perfectly. With colors that complement the style of construction in the Northeastern United States, our New England Style pavers are the ideal choice for those looking to add a touch of regional charm to their landscaping.

Our New England Collection is durable and long-lasting. Plus, they require minimal maintenance, so you can enjoy your outdoor space without having to worry about upkeep.

## COLLECTION

AEGEAN PEARL PAVER KIT

Introducing our Tuscan Collection - the perfect way to bring a touch of Mediterranean charm to your outdoor living space. Our Tuscan Collection comes in a classic Versailles pattern, providing a timeless and sophisticated look that is reminiscent of the stunning construction found throughout Italy and other Mediterranean regions. Our Tuscan pavers are durable and long-lasting, making them the ideal choice for any outdoor project. Whether you're looking to create a beautiful patio, pool deck, or garden walkway, our pavers will provide a stunning foundation that will stand the test of time. With their rich, warm colors and elegant patterns, our Tuscan pavers will add an air of sophistication to any outdoor living space.
